Dear Parent/Carer

'Positively Mad' presentation Tuesday 6 March 2018 5.00 pm – 6.00 pm

The next two academic years are incredibly important for Year 10 students and will have a huge influence on the rest of their lives. It is crucial that the academy, students and parents/carers work closely together to support the students with their studies. On the evening of Tuesday 6 March 2018 from 5.00 pm to 6.00 pm, in the Lecture Theatre, there is a presentation by an external company called 'Positively Mad'. 'Positively Mad' has a national reputation for working with students, schools and parents/carers. The aim of this workshop is to empower parents/carers to help their children revise effectively for their summer exams. This is crucially important given that all Year 10 students have an actual exam this summer. From Monday 26 February there are only 9 school weeks until the exam season starts.

I strongly recommend you attend the evening as I am confident that together we can make a significant difference to your child's grades and ultimately, life chances.

Please complete the reply slip below and return it to the academy at the Student Information Desk (SID).

I look forward to seeing you.

Yours faithfully,

Toby Rutter
